S I R:

In the Office Action of April 18, 2006, the Examiner indicated that claims 72-126 were withdrawn from consideration as directed to a non-elected invention. Claims 1-71 have been previously cancelled. In view of this Decision by the Examiner, Applicant has decided to file a divisional patent application presenting claims 72-126. Therefore this parent application will be allowed to go abandoned. The decision to abandon this parent application was not made because of any prior art cited by the Examiner, but because of the decision that claims 72-126 are directed to a non-elected invention and Applicant desires to have that non-elected invention prosecuted by way of a divisional application.

Respectfully submitted,

 (Reg. No. 27,841)
